

## NZCB Apprenticeship Challenge Regional Competitions 2018

Apprentices from across the country will battle it out on Saturday 21st April for a spot at the National NZCB Apprenticeship Challenge Final in May. So far there are 83 confirmed entries. We encourage all members to get along and support your local apprentices during their regional challenges on 21st April.

The best time to visit is during their lunch break (12 - 12:30pm) as most regions will have a BBQ cranking and supporters can check-in on the progress. Another excellent time to pop in is from 4pm onwards for the last 30 minutes of the competition. Each competitor will receive a T-shirt, ITM promo prize pack and Makita goodies for first, second and third place. Each regional winner will progress to the National Final to compete for the Ken Read Memorial Trophy and prizes to the value of \$50k!
